

# PAS 2022 IN PERSON & ON DEMAND

## APRIL 21-25, 2022 | DENVER, CO

### **Pediatric Academic Societies 2022 Meeting**

Media Coverage Report

July 29, 2022

#### **Coverage Summary**

The PAS 2022 Meeting generated more than 200 news stories (including syndicated articles). PAS was mentioned in top-tier outlets, including *The Jerusalem Post*, *USA Today* and *U.S. News & World Report*. PAS was also mentioned in regional outlets, such as: *Albany Democrat-Herald*, *Arizona Daily Sun*, *Lincoln Journal Star*, *Madison.com*, *Omaha.com*, *Richmond.com*, *Star Herald* and the *St. Louis Post-Dispatch*. PAS press releases were picked up by more than 400 media outlets, including the Associated Press and Yahoo! News. In addition, dozens of institutions published press releases and news updates discussing their research and participation at the conference.

#### **Registered Media**

Sixteen journalists registered to attend the PAS 2022 Meeting. Twelve reporters attended in-person and worked out of the press room. Leading healthcare reporters at the Associated Press and *USA Today* registered for on demand access.
